

TDX Group 12 hour bike ride challenge

We are up for a challenge, are you?

This year we've set ourselves a new cycling challenge and would like you to join us. We will be riding 250km back to our Nottingham office in less than 12 hours, in order to raise serious amounts of cash for our partner charity, The Children's Bereavement Centre, who are a charity we have worked with for many years and that many of you have so generously supported alongside us in the past. We will also be raising money for our charity of the year Inspire Nottingham.

As a key contact to our business, we're reaching out to see if your organisation would be willing to support this very worthy cause or whether you'd like to get involved personally.

The Children's Bereavement Centre

The Children's Bereavement Centre is an independent charity qualified to help children with the grieving process brought on by the death, terminal illness and divorce or separation of someone close. The centre is open to children aged 3 to 18 and offers a welcoming and safe environment for them and their families to receive the help and guidance they need.

Inspire Nottingham

Inspire Nottingham wants everyone with learning disabilities to enjoy their life and achieve as much as they are able. They provide services and support that enables people with learning disabilities to develop their potential for living full and independent lives. Over the years Inspire has worked successfully with people to help develop their potential and to encourage greater independence.

The challenge

- Ride **250 km** back to TDX Group's Nottingham office (start points to be allocated).
- Start at 6am on Friday **08 September**.
- **Teams of five** but one must be driving the support vehicle.
- **Two cyclists** must be out on the road at all time.
 - if you would like to get involved but do not have enough people to form a team of five, let us know
 - full list of rules and Terms and Conditions to follow
 - awards will be presented at the TDX Group Christmas Charity Ball on 30 November

We would love you to get involved

If your organisation would like to enter a team we'd be delighted!

We are asking for a £250 donation per team, plus a commitment to raise a minimum of £250 per team for our charities (any money raised above this would be greatly appreciated, however we understand that you may have another charity in mind that you would like to support).

As a little incentive, your organisation's **logo** will feature on all of the cyclists' shirts.

If cycling isn't your thing, don't worry you can still get involved. All organisations who donate £250 (or more) by 31 July will automatically have their logo added to the cyclists' shirts.

How to donate

To make a donation simply visit our Virgin Giving page:
